Our School Improvement Priorities 2026-2027

📚 Literacy

Aim: Improve standards in reading and writing across the school through Book Fizz and Writing Chains.

Key Actions:

- Embed the Book Fizz reading programme to develop a love of reading.
- Introduce Writing Chains to strengthen grammar and writing progression.
- Continue the successful implementation of Monster Phonics.
- Work with cluster schools and poet Alex Wharton to enrich writing experiences.
- Engage parents through reading and phonics workshops and home-learning resources.

🔢 Numeracy

Aim: Further improve pupils' reasoning and problem-solving skills through a consistent whole-school approach to numeracy.

Key Actions:

- Introduce a consistent approach to mathematical reasoning and problem-solving using White Rose Maths resources.
- Develop progressive mathematical vocabulary and calculation strategies across the school.
- Increase opportunities for pupils to apply numeracy skills across all areas of learning.
- Use assessment information and targeted interventions to support pupil progress.
- Strengthen progression in mathematical knowledge, skills and understanding across all year groups.

💙 Wellbeing and Attendance

Aim: Improve attendance, wellbeing and family engagement so that all pupils feel safe, supported and ready to learn.

Key Actions:

- Provide targeted support for pupils and families through the school Wellbeing Officer.
- Implement early intervention and robust attendance monitoring procedures.
- Offer nurture, Thrive and wellbeing support programmes for vulnerable learners.
- Strengthen partnerships with families to overcome barriers to attendance.

- Work collaboratively with other schools through an attendance and wellbeing improvement project.
