What was discussed?

- Welcomed new members and discussed our roles within the eco council.
- We conducted an environmental review and decided what 3 areas we would focus on: Energy, Water and Transport.

We established our Autumn term targets and completed an action plan to assess our progress at meeting these targets.

- 1) Energy- Use less electricity
- 2) Water- Reduce water usage
- 3) Healthy living- Raise whole school awareness

- We discussed our Eco Council Google Classroom page so we know where to upload work to complete tasks.

Next steps:

We will plan and deliver an assembly to inform the rest of the school about our poster competitions and upcoming cross curricular days.

When and where is the next meeting?
Next half term, Rowan Class
