What was discussed?

- We reviewed our Autumn targets and discovered not all of them were achieved.
- We decided we will create our own 'reduce electricity' and 'reduce water' posters and complete by 17th February.
- We decided each eco council member from each class would be responsible for checking lights, laptops and taps are turned off when not in use during breaktimes and before home time.
- We will collect eco tips via our Eco Council Google Classroom page by 17th February and email to Mr Jewitt.
- We created new Spring Term targets and will review at the end of Spring Term.

Next steps:

- We will display our posters around school and the toilets.
- We will check Mr Jewitt has received our eco tips email.
- We will check eco council members are checking lights and electricity is being turned off.
-

When and where is the next meeting?
